# STUDENT **IMPACT**

---

I want to sincerely thank you for your dedication to helping students like me. I promise to make the most of this opportunity since your investment in my education is an investment in my future. My financial stress for college has been eased by receiving this scholarship, and it has also given me drive and encouragement. I've been motivated to work harder and pursue my goals with even more tenacity because you believe in my potential.

**GEORGE LOHEAC**

BFA Class of 2026

I have learned so much in the past year. I have had experiences that I have looked forward to and am amazed that I get to live out my dreams here at FSU. One of the highlights has been my ability to participate in dance films and filming projects. This is something that was completely new to me, though I had previously been interested in the idea of it. I have absolutely no shortage of chances to perform, make art, witness art, and be around creatives.
