STUDENT **IMPACT**

Thank you so much for providing your generous support! Florida State provides an incredible environment for me to continue my studies, and to bring me closer to my goal of joining a professional ballet company. The Dance in Paris summer program is a unique opportunity that the School of Dance offers to their students. And your gift and help will support this life-changing experience, that I will be attending this year, as I move into my third academic year at FSU.

BFA Class of 2027

I am so excited about the opportunity to expand my knowledge and education as an FSU dance major. This program is amazing and as a transfer student, I can't wait for the big opportunity that comes with graduating from this university. Thank you very much for your generosity, as this scholarship will greatly impact my life as I work towards reaching my educational goals.
