# STUDENT **IMPACT**

---

I wanted to sincerely thank you for making [this] scholarship possible.

I dream of traveling the world and touring with a contemporary [dance] company to explore and experience as many different cultures as possible. This

scholarship has gotten me one step closer to this goal. As an artist, I have the power to touch a person's heart, to make them feel something. I strive to help people with my art and your generosity will help me on my way to doing so.

**BFA Class of 2024**

The time spent in the studio (and recuperating from rehearsal) can prevent many of the usual ways a student like me can contribute to the costs of her own education and the equipment costs, especially maintaining pointe shoes in the proper condition to move without injury, is often prohibitive. The financial help in continuing my dance education is immensely meaningful.
