Past Scholarship Recipients

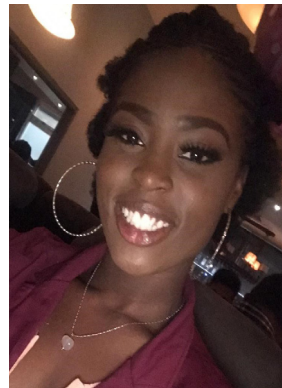

This Friends of Dance Scholarship helps ease the financial burden of tuition for me as well as my family, and for that I am so thankful. I have always known I wanted to be a professional dancer, so I had Florida State on my radar for college from a young age. I plan on completing the combined pathways program and receive my BFA and MFA in Dance in 5 years time. Your support helps me stay at FSU so I can accomplish this goal.

Maddie McClure, BFA Class of 2023

Growing up in a less privileged community helped me realize the value of effort and hard work that opens doors of great opportunities to be educated. I am entering my 2nd year as a graduate student pursuing my MA in Studio and Related Studies. Furthering my education in such a field is an opened door of great opportunity for me. With your generosity, I can do so with less worry of financial strain.

Ariel Douglas, MA Class of 2021

The past academic year has made me become a better human, as well as an artist. It makes me affirm the goal I want to purpose in the future; becoming a dance filmmaker that tells the critical story. My dreams and goals would not be possible, without this generous support from scholarship sponsors like you. Thanks again for this opportunity!
